ANB Bank

**developer and property manager**

Realty Management Group, LLC

**architect**

Open Studio Architecture

**general contractor**

GE Johnson Construction Company

**glazing contractor**

JR Butler, Inc.

ANB Bank Building of Cherry Creek, Colorado, revitalized its 1980's exterior into a modern, high-performance glass and metal façade that better suits its 21st century tenants and those visiting this upscale destination.

Along with improving the appearance, Apogee Renovation provided energy modeling, which assisted the owner in selecting Viracon glass to enhance the property's performance and comfort.
